\*\*\* - Included in any floor plan that allows a rear door.

Note: Prices, specifications and included features are subject to change without notice.

# Satisfied ARI Customers

We have owned 4 ARI sleepers. Everyone there from sales to all the guys in service are great. They really are like family. We would not own any other sleeper, but an ARI. They are the best. - Larry & Sarah Hendrix

Five star service and a five star product by five star people. We love our ARI sleeper and all of the people there too. Very rarely have I come across or done business with a company so centered around customer satisfaction. As far as I am concerned, there is only one custom sleeper company. That company is ARI. - Aj Van Harn

I bought this Freightliner Coronado with a 132" ARI new in Jan '09. 1,000,000 miles on the odometer and this truck still runs like new. The ARI sleeper has made all the difference in our business! It has paid for itself time and again. I can't be more appreciative of the quality of the sleeper. Everything in the sleeper is still original and still in good condition. Thanks ARI! - Ed Godfrey

I love the product, the people, and they have the best customer service hands down. - Chris & Ruth Smith

Keith and I want to thank you and your whole production and assembly crew for the beautiful job ya'll did on our sleeper. Our cabinets are beautiful beyond words. If this sleeper is as good as our first, you may never see us again...lol. We just didn't want to miss the opportunity to express our thanks. May God bless all of your lives richly. - Keith & Vickie Sampson

Doing double duty! Kicking back in an RV park in Corpus Christi while my trailer is down in Mexico for a couple of weeks at an air show. Margaritas & the beach! This sleeper is everything a guy could ask for. I know it's what everyone says, but I wish I'd bought it years ago. - Steve Wright
